COUNCIL OF THE DISTRICT OF COLUMBIA

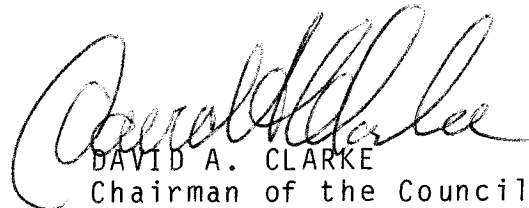

NOTICE

D.C. LAW 10-74

"Water Main Break Fund Establishment  
Temporary Act of 1993".

Pursuant to Section 412 of the District of Columbia Self-Government and Governmental Reorganization Act, P. L. 93-198, "the Act", the Council of the District of Columbia adopted Bill No. 10-355 on first and second readings, July 13, 1993 and October 5, 1993, respectively. On October 26, 1993, Bill No. 10-355 was vetoed by the Mayor. The Council overrode the Mayor's veto on November 2, 1993. As a result of the Council's override, Bill No. 10-355 was re-enacted and assigned Act No. 10-141. The Act was published in the November 12 1993, edition of the D.C. Register, (Vol. 40 page 7754) and transmitted to Congress on November 5, 1993 for a 30-day review, in accordance with Section 602(c)(1) of the Act.

The Council of the District of Columbia hereby gives notice that the 30-day Congressional Review Period has expired, and therefore, cites this enactment as D.C. Law 10-74, effective March 2, 1994.

  
DAVID A. CLARKE  
Chairman of the Council

AN ACT

Codification

District of Columbia Code

D.C. ACT 10-141

( 1994 Supplement)

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

NOVEMBER 2, 1993

To establish, on a temporary basis, a fund to compensate persons who sustained real or personal property damage as a direct result of the breaks in the water main in the 1700 block through the 1900 block of Minnesota Avenue, S.E., Washington, D.C., on March 6, 1991, and January 10, 1993.

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Water Main Break Fund Establishment Temporary Act of 1993".

Note, Section  
47-375

Sec. 2. Minnesota Avenue, S.E., Water Main Break Fund established.

There is established, within the Water and Sewer Enterprise Fund established by the Mayor pursuant to section 7(h) of the District of Columbia Fund Accounting Act of 1980, effective June 14, 1980 (D.C. Law 3-70; D.C. Code § 47-375(g)), the Minnesota Avenue, S.E., Water Main Break Fund ("Fund") to compensate persons who sustained real or personal property damage as a direct result of the breaks in the water main located in the 1700 block through the 1900 block of Minnesota Avenue, S.E., Washington, D.C., on March 6, 1991, and January 10, 1993 ("water main breaks").

Sec. 3. Eligibility.

To be eligible for compensation for damages from the Fund, each person shall:

(1) Demonstrate, in accordance with criteria established by the Mayor, that the damage to the real or personal property for which the person requests compensation was the direct result of the water main breaks;

(2) Certify that the claim for compensation made pursuant to this act is the only claim pursued by the person against the District of Columbia ("District") government for damages sustained as a result of the water main breaks;

(3) Certify that the claim for compensation made pursuant to this act is the only claim that the person will pursue against the District government for damages sustained as the result of the water main breaks; and

(4) File a claim for damages pursuant to this act within 6 months of the effective date of the Water Main Break Fund Establishment Emergency Act of 1993.

Sec. 4. Compensation.

Compensation for damages provided from the Fund shall be not more than \$10,000 for each household. For the purposes of this section, the term "household" means all persons who resided at a single address within a 6 block radius of the 1700 block through the 1900 block of Minnesota Avenue, S.E., Washington, D.C. on March 6, 1991, and January 10, 1993.

Sec. 5. Reports.

(a) The Department of Public Works shall provide an annual report to the Council of the District of Columbia ("Council") on the anniversary of the effective date of the Water Main Break Fund Establishment Emergency Act of 1993 and on January 1st each subsequent year thereafter, which describes the condition of the entire water main system of the District. The report shall include the following information for each water main:

- (1) The number of the water main as indicated on the water main map established pursuant to subsection (b) of this section;
- (2) The age of the water main;
- (3) The material of which the water main is constructed;
- (4) The expected remaining life of the water main; and
- (5) If the water main has sustained any amount of damage within the last 20 years, then state:
  - (A) The date or dates of the damage;
  - (B) The type of damage sustained;
  - (C) Whether the damage was repaired; and
  - (D) If the water main was repaired, state the date the repair was made, the type of repair that was made, and the person or entity making the repair. If the water main was not repaired, state the reason or reasons the repair was not made and indicate a scheduled date for repair.

(b) The Department of Public Works shall provide the Council with a water main map that illustrates the entire water main system of the District. Each water main shall be labeled, on the map, with consecutive numbers so that each water main can be identified when the map is used in conjunction with the report required pursuant to subsection (a) of this section. The water main map shall be submitted by the Department of Public Works, to the Council on the anniversary of the effective date of the Water Main Break Fund Establishment Emergency Act of 1993, and on January 1st of each year when the map is updated. The water main map shall be updated each time a water main is added or is taken out of service.

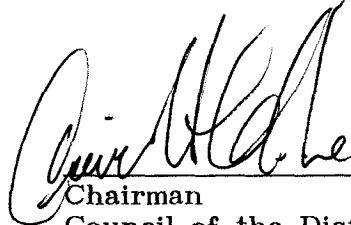

Sec. 6. Repairs.

In the event that water main breaks occur in a concentrated area suggesting that there is weakness throughout that section of the infrastructure, the Department of Public Works shall repair the affected infrastructure in a timely fashion.

Sec. 7. Effective date.

(a) This act shall take effect after a 30-day period of Congressional review following approval by the Mayor (or in the event of veto by the Mayor, action by the Council of the District of Columbia to override the veto) as provided in section 602(c)(1) of the District of Columbia Self-Government and Governmental Reorganization Act, approved December 24, 1973 (87 Stat. 813; D.C. Code § 1-233(c)(1)), and publication in either the District of Columbia Register, the District of Columbia Statutes-at-Large, or the District of Columbia Municipal Regulations.

(b) This act shall expire on the 225th day of its having taken effect.

  
Chairman  
Council of the District of Columbia

AN ACT

Codification

District of Columbia Code

( 1994 Supplement)

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

To establish, on a temporary basis, a fund to compensate persons who sustained real or personal property damage as a direct result of the breaks in the water main in the 1700 block through the 1900 block of Minnesota Avenue, S.E., Washington, D.C., on March 6, 1991, and January 10, 1993.

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Water Main Break Fund Establishment Temporary Act of 1993".

Note, Sect:  
47-375

Sec. 2. Minnesota Avenue, S.E., Water Main Break Fund established.

There is established, within the Water and Sewer Enterprise Fund established by the Mayor pursuant to section 7(h) of the District of Columbia Fund Accounting Act of 1980, effective June 14, 1980 (D.C. Law 3-70; D.C. Code § 47-375(g)), the Minnesota Avenue, S.E., Water Main Break Fund ("Fund") to compensate persons who sustained real or personal property damage as a direct result of the breaks in the water main located in the 1700 block through the 1900 block of Minnesota Avenue, S.E., Washington, D.C., on March 6, 1991, and January 10, 1993 ("water main breaks").

Sec. 3. Eligibility.

To be eligible for compensation for damages from the Fund, each person shall:

(1) Demonstrate, in accordance with criteria established by the Mayor, that the damage to the real or personal property for which the person requests compensation was the direct result of the water main breaks;

(2) Certify that the claim for compensation made pursuant to this act is the only claim pursued by the person against the District of Columbia ("District") government for damages sustained as a result of the water main breaks;

(3) Certify that the claim for compensation made pursuant to this act is the only claim that the person will pursue against the District government for damages sustained as the result of the water main breaks; and

(4) File a claim for damages pursuant to this act within 6 months of the effective date of the Water Main Break Fund Establishment Emergency Act of 1993.

Sec. 4. Compensation.

Compensation for damages provided from the Fund shall be not more than \$10,000 for each household. For the purposes of this section, the term "household" means all persons who resided at a single address within a 6 block radius of the 1700 block through the 1900 block of Minnesota Avenue, S.E., Washington, D.C. on March 6, 1991, and January 10, 1993.

Sec. 5. Reports.

(a) The Department of Public Works shall provide an annual report to the Council of the District of Columbia ("Council") on the anniversary of the effective date of the Water Main Break Fund Establishment Emergency Act of 1993 and on January 1st each subsequent year thereafter, which describes the condition of the entire water main system of the District. The report shall include the following information for each water main:

- (1) The number of the water main as indicated on the water main map established pursuant to subsection (b) of this section;
- (2) The age of the water main;
- (3) The material of which the water main is constructed;
- (4) The expected remaining life of the water main; and
- (5) If the water main has sustained any amount of damage within the last 20 years, then state:
  - (A) The date or dates of the damage;
  - (B) The type of damage sustained;
  - (C) Whether the damage was repaired; and
  - (D) If the water main was repaired, state the date the repair was made, the type of repair that was made, and the person or entity making the repair. If the water main was not repaired, state the reason or reasons the repair was not made and indicate a scheduled date for repair.

(b) The Department of Public Works shall provide the Council with a water main map that illustrates the entire water main system of the District. Each water main shall be labeled, on the map, with consecutive numbers so that each water main can be identified when the map is used in conjunction with the report required pursuant to subsection (a) of this section. The water main map shall be submitted by the Department of Public Works, to the Council on the anniversary of the effective date of the Water Main Break Fund Establishment Emergency Act of 1993, and on January 1st of each year when the map is updated. The water main map shall be updated each time a water main is added or is taken out of service.

Sec. 6. Repairs.

In the event that water main breaks occur in a concentrated area suggesting that there is weakness throughout that section of the infrastructure, the Department of Public Works shall repair the affected infrastructure in a timely fashion.
