Sec. 2. The Uniform Per Student Funding Formula for Public Schools and Public Charter Schools Act of 1998 is amended as follows:

(a) Section 102 is amended by adding a new paragraph (10A) to read as follows:

“(10A) “Resident student” means a student who is enrolled in a District of Columbia public school or a public charter school, and is an adult who resides in the District of Columbia, or is a minor who has a parent, guardian, or custodian residing in the District of Columbia.”.

(b) Section 107 is amended to read as follows:

"(a) Annual appropriations for the DCPS pursuant to the Formula shall be based on the number of resident students enrolled in the DCPS on October 5 in the year preceding the fiscal year for which the appropriation is made. This count shall be verified as provided in subsection (e) of this section.

"(b) Annual appropriations for the public charter schools pursuant to the Formula shall equal the total estimated costs for the following:

"(1) The number of resident students enrolled in all public charter schools combined as of October 5 in the year preceding the fiscal year for which the appropriation is made, and verified as provided in subsection (e) of this section, plus or minus;

"(2) The number of resident students projected to be enrolled in all public charter schools combined during the fiscal year for which the appropriation is made, and calculated as provided in subsection (f) of this section, plus;

"(3) The annual budget of the District of Columbia Public Charter School Board and, beginning in fiscal year 2002, the Public Charter School Office of the Board of Education, provided, plus;

"(4) Five percent of the total amount generated pursuant to paragraphs (1), (2) and (3) of this subsection, to be put into escrow as a reserve for payments to public charter schools in case enrollment, including enrollment in special needs categories, should exceed that of the projections on which costs are based pursuant to paragraph (2) of this subsection. Any amount remaining in the escrow at the end of each fiscal year shall revert to the General Fund.

"(c) The Mayor shall establish a committee to develop and implement, within 90 days of the effective date of the Public School Enrollment Integrity Emergency Amendment Act of 2000, a policy governing proof of District residency for the purposes of this section and the District of Columbia Nonresident Tuition Act. The committee shall be composed of the Mayor, the Chair of the District Council Committee on Education, Libraries and Recreation, the Superintendent of District of Columbia Public Schools, a representative of each of the eligible chartering authorities, and a representative of the D.C. Charter Public School Coalition. Upon establishment

of a state education office, the Mayor shall transfer this function to that office.

"(d) The residency policy developed pursuant to subsection (c) of this section shall apply equally to students in DCPS and the public charter schools.

"(e) The student counts reported for October 5 of each year shall be verified by an independent contractor commissioned by the Mayor. The independent contractor shall perform a census on the student enrollment of each DCPS and of each public charter school. The verification process shall begin no later than one week following the day on which the count is taken. The verification shall cover the information required by section 2402 of the District of Columbia School Reform Act of 1995 ("School Reform Act"), and shall be transmitted by the Mayor to the Council, the Authority, the Comptroller General of the United States, and the appropriate congressional committees no later than the following December 31. Until the verification is transmitted, the unaudited October count shall serve as the basis for the annual appropriation for the following fiscal year and for quarterly payments.

"(f) Preliminary projections of Public Charter School enrollment shall be made by each chartering authority for the Public Charter Schools under its supervision, and submitted to the Mayor by the date on which the DCPS is required to submit its budget request to the Mayor. The chartering authorities may submit revisions of such projections to the Mayor and Council at any time before the Council committee with oversight responsibilities for the public education budget reports its recommendations on that budget to the Council.

(c) A new section 107a is added to read as follows:

"Sec. 107a. Payments.

"(a) Except as provided in subsection (b)(2) of this section, following the enactment of an act making appropriations for the District of Columbia each fiscal year, the Mayor shall provide to DCPS the full amount of its appropriation in accordance with standard procedures for independent agencies. The Mayor shall make payments to each public charter school from the escrow account established under section 2403 of the School Reform Act to a bank designated by each school. The annual payment shall be made in the form of four quarterly payments calculated in accordance with subsections (b), (c) and (d) of this section, provided; however, that the entire annual payment for facilities pursuant to section 109 shall be included in the first payment of the fiscal year and that any payment for new charter schools pursuant to section 2403 of the School Reform Act shall also be included in the first payment of the fiscal year. The first payment shall be made no later than July 15; subsequent payments shall be made no later than October 15, January 15, and April 15.

"(b)(1) Except as provided in paragraph (2) of this subsection, each payment shall be one-fourth of each public charter school's entitlement based on its October enrollment count. The basis of the July 15 and October 15 payments shall be the

unaudited numbers contained in the reports submitted by the eligible chartering authorities under subsection(a) of section 2402 of the School Reform Act. The basis of the January 15 and April 15 payments shall be the audited October enrollment numbers, provided that these amounts shall be adjusted in accordance with the provisions of subsection (c) of this section.

(2) The payment of October 15, 2000 shall be 50% of each public charter school's entitlement based on its unaudited October 5 enrollment count.

"(c) Payments shall not be reduced or delayed pending the conduct and results of the audit prescribed by section 107(e). If the audit finds that the number of verified resident students in enrollment at any public charter school differs from that on which its July 15 and October 15 payments were based, the Mayor shall recalculate the appropriate amount of subsequent payments accordingly, adjusting them by the amount of the discrepancy.

"(d) Payments for special education, limited English proficient students, and other add-on components of the Funding Formula shall be included in the quarterly payments to public charter schools. Payments shall reflect one-quarter of the annual per student amount for each add-on; provided, however, that add-ons for special education and limited English proficient students shall be added on a pro rata basis from the date on which a public charter school begins to provide add-on services for such students.

"(e) Prior to or concurrent with any payment made pursuant to this section, the Chief Financial Officer of the District of Columbia shall provide to each public charter school an accounting indicating what the payment is for and how it was calculated."
