(a) The District is authorized to participate and assist in financing or refinancing costs of acquisition of the facility by the issuance, sale, and delivery of the Bonds and the Loans, all pursuant to and in accordance with the Home Rule Act and this act.

(b) The District is authorized to issue, sell, and

delivered official
deliver the Bonds, at any time and from time to time, in 1 or more series in an aggregate principal amount not to exceed \$65,000,000. (e) Payment of the Bonds shall be secured as provided in the financing documents.

(f) The issuance of bonds is in the discretion of the

Accordingly, the District is not obligated by this act to issue, and nothing contained in this act shall be construed as obligating the District to issue, any bonds for the benefit of the Hospital Association or the participating hospitals or to participate in or assist the Hospital Association or the participating hospitals in any way with financing or with refinancing the costs of acquisition of any facilities. Neither the Hospital Association nor the participating hospitals shall have any claims for damages or for any other legal or equitable relief against the District, its elected officials, its appointed officials, its officers, its employees, or its agents as a consequence of any failure to issue any bonds for the benefit of the Hospital Association or the participating hospitals.

The Mayor's execution of the Bonds shall constitute conclusive evidence of the Mayor's approval, on behalf of the District, of the final form and content of the Bonds. The Secretary is authorized and empowered to seal the Bonds on behalf of the District. The Mayor is further authorized and empowered to deliver the executed and sealed Bonds, on behalf of the District, to the trustee for authentication and, after the trustee has authenticated the Bonds, to deliver the Bonds to the original purchasers of the Bonds upon payment of the purchase price.

(g) The trustee is authorized, empowered, and directed to authenticate the Bonds and to deposit and disburse the proceeds received from the sale of the Bonds as provided in the financing documents.

(h) The Bonds of any series may be sold at private or public sale at, above, or below par and in a manner, at times, on dates, to a person or entity, and upon terms that the Mayor considers to be in the best interests of the District.

Sec. 6. Financing Documents and Closing Documents.

(a) The forms of the financing documents attached to this act are approved by the Council, except that, within the limitations of the Home Rule Act, the Mayor is authorized and empowered to prescribe, determine, and approve the final form and content of all financing documents and all closing documents which may be necessary, desirable, or appropriate to effectuate and close the issuance, sale, and delivery of the Bonds and the Loans.

(b) Each of the financing documents and each of the closing documents to which the District is a party shall be executed in the name of the District and on its behalf by the Mayor, with the Mayor's manual or facsimile signature.

(c) The official seal of the District or a facsimile of it shall, as appropriate, be impressed, printed, or otherwise reproduced on the financing documents and the closing documents to which the District is a party and shall be attested to by the Secretary, with the Secretary's manual or facsimile signature.

(d) The Mayor is authorized and empowered to execute each of the financing documents and each of the closing documents, on behalf of the District, with those changes, additions, deletions, and modifications that the Mayor

considers necessary, desirable, or appropriate, on the advice of bond counsel or otherwise, to carry out the purposes of this act. The Mayor's execution of the financing documents and the closing documents shall constitute conclusive evidence of the Mayor's approval, on behalf of the District, of the final form and content of the executed financing documents and the executed closing documents. The Secretary is authorized and empowered to seal the financing documents and the closing documents, as appropriate, on behalf of the District. The Mayor is further authorized and empowered to deliver the executed and sealed financing documents and closing documents, on behalf of the District, prior to or simultaneously with the issuance, sale, and delivery of the Bonds, and to ensure the due performance of the obligations of the District contained in the executed and delivered financing documents and closing documents.

(e) It is the intent and purpose of this act that any instrument or document executed on behalf of and in the name of the District in connection with financing or refinancing costs of acquisition of the facility shall be considered to have been executed pursuant to the authority conferred by this act.

(f) Each of the financing documents and each of the closing documents to which the District is not a party shall be approved, as to form and content, by the Mayor.

Sec. 7. Additional Authority.

In addition to the authority conferred on the Mayor by

this act with respect to the Bonds, the financing documents, and the closing documents, the Mayor is authorized and empowered, with respect to the issuance, sale, and delivery of the Bonds and the Loans, on behalf of the District, to execute, acknowledge, seal, deliver, perform, receive, and accept all other documents, agreements, certificates, and instruments as may be necessary, desirable, or appropriate to effectuate the issuance, sale, and delivery of the Bonds and the Loans, and to take all other actions consistent with the Home Rule Act and this act which the Mayor considers necessary, proper, expedient, desirable, or appropriate in order to effectuate the issuance, sale, and delivery of the Bonds and the Loans, including, but not limited to, the establishment of procedures for monitoring the use of the proceeds received from the sale of the Bonds to ensure that they are properly applied to costs of acquisition of the facility and used to accomplish the purposes of the Home Rule Act and this act.

Sec. 8. Authorized Delegation of Authority.

The Mayor may delegate to any authorized delegate the performance of any act authorized to be performed by the Mayor or the Secretary under this act.

Sec. 9. Limited Liability.

(a) The Bonds shall be special obligations of the District. The Bonds shall not be general obligations of the District, shall not be a pledge of or involve the faith and credit or the taxing power of the District, shall not constitute a debt of the District, and shall not constitute

a lending of the public credit for private undertakings as contained in section 602(a)(2) of the Home Rule Act. The Bonds shall contain a legend which shall provide generally that the Bonds are not general obligations of the District, are not a pledge of and do not involve the faith and credit or the taxing power of the District, do not constitute a debt of the District, and do not constitute a lending of the public credit for private undertakings as contained in section 602(a)(2) of the Home Rule Act.

(b) The Bonds shall never constitute or give rise to any pecuniary liability of the District, except that nothing contained in the financing documents shall be construed to preclude any action or proceeding, other than that element in any action or proceeding involving a monetary claim, in any court or before any governmental body, agency, or instrumentality against the District or any of its elected or appointed officials, officers, employees, or agents to enforce the provisions of any financing document.

(c) The District shall have no liability or obligation for the payment of any issuance costs, any administration costs, or any other fees, costs, charges, or expenses incurred in connection with the authorization, preparation, printing, issuance, sale, and delivery of the Bonds or the Loan, the implementation or administration of the financing documents or any transaction or event to be effected by the financing documents.

(d) All covenants, obligations, and agreements of the District contained in this act, the Bonds, the financing

documents, and the closing document to which the District is a party shall be considered to be the covenants, obligations, and agreements of the District to the fullest extent authorized by law, and each of those covenants, obligations, and agreements shall be binding upon the District and its successors, except that no person, including the Hospital Association, the participating hospitals and any bondholder, shall have any claims against the District or any of its elected or appointed officials, officers, employees, or agents for damages suffered as a result of the District's failure to perform any covenant, undertaking, or obligation under this act, the Bonds, the financing documents, or the closing documents, or as a result of a mistaken representation in or omission from the financing documents, or the closing documents, unless the District or its elected or appointed officials, officers, employees, or agents have acted in a willful and fraudulent manner.

Sec. 10. District of Columbia Officials.

(a) All rights, powers, and privileges conferred and duties and liabilities imposed upon the District by this act, the Bonds, the financing documents, or the closing documents shall be exercised or performed by those elected or appointed officials, officers, employees, or agents of the District required or permitted by law to exercise or perform them. No representation, warranty, covenant, obligation, or agreement of the District contained in this act, the Bonds, the financing documents, or the closing

documents shall be considered to be a representation, warranty, covenant, obligation, or agreement of any elected or appointed official, officer, employee, or agent of the District in the person's individual capacity.

(b) The signature, countersignature, facsimile signature, or facsimile countersignature of any official appearing on the Bonds, the financing documents, or the closing documents shall be valid and sufficient for all purposes, notwithstanding the fact that the person ceases to be that official before the delivery of the Bonds, the financing documents, or the closing documents.

Sec. 11. Maintenance of Documents.

True copies of the final financing documents and closing documents shall be filed in the Office of the Mayor.

Sec. 12. Information Reporting.

All actions taken by the Mayor which relate to the execution and delivery of the Bonds shall be reported to the Council, for its information, within 10 days after the action is taken. The Mayor shall transmit a copy of the transcript of proceedings relating to the issuance of the Bonds to the Chairman of the Council within 3 days after the Mayor's receipt of the transcript.

Sec. 13. Disclaimers.

(a) The Council, by enacting this act or by taking any other action in connection with financing or refinancing costs of acquisition of the facility, does not and cannot provide any assurance that the facility is viable or sound, that the participating hospitals are financially sound, or

that amounts owing on the Bonds or the Loans will be paid. Neither the Hospital Association nor the participating hospitals nor any purchaser of the Bonds nor any purchaser of the Bonds, nor any other person shall rely upon the District with respect to those matters.

(b) The District shall have no obligation with respect to the purchase of the Bonds.

Sec. 14. Validity of Bonds.

Bonds issued pursuant to this act shall be considered validly issued by the District.

Sec. 15. Severability.

If any provision of this act or the application of it to any person or circumstance is held to be unconstitutional or beyond the statutory authority of the Council, or otherwise invalid, the invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Sec. 16. Expiration.

If the Bonds are not issued, sold, and delivered to the original purchaser within 2 years from the effective date of this act, the authorization provided in this act with respect to the issuance, sale, and delivery of the Bonds shall expire.

Sec. 17. Effective Date.

This act shall take effect after a 30-day period of Congressional review following approval by the Mayor (or in

the event of veto by the Mayor, action by the Council of the District of Columbia to override the veto) as provided in section 602(c)(1) of the District of Columbia Self-Government and Governmental Reorganization Act, approved December 24, 1973 (87 Stat. 813; D.C. Code, sec. 1-233(c)(1)).
