District of Columbia Code

(1992 Supplement)

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA

OCTOBER 23, 1991

To order, on a temporary basis, the closing of Glover Archbold Parkway, N.W., between Upton Street, N.W., and Van Ness Street, N.W., and to provide for the establishment of a street easement to be known as 40th Place, N.W., in Square 1789 and adjacent to Glover Archbold Parkway, N.W., S.O. 99-117, in Ward 3.

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA, That this act may be cited as the "Closing of Glover Archbold Parkway, N.W., Temporary Act of 1991".

Sec. 2. Pursuant to section 201 of the Street and Alley Closing and Acquisition Procedures Act of 1982, effective March 10, 1983 (D.C. Law 4-201; D.C. Code §7-421), the Council finds that Glover Archbold Parkway, N.W., between Upton Street, N.W., and Van Ness Street, N.W., as shown on the Surveyor's plat filed under S.O. 90-117 and in section 4, is unnecessary for street purposes. Notwithstanding any other provision of law, including title II of the Street and Alley Closing and Acquisition Procedures Act of 1982, the Council orders the street closed subject to the following conditions:

Note,
Section
7-421

(1) The filing, in the Recorder of Deeds Division of the District of Columbia Department of Finance and Revenue, of a covenant between the District and the owners of the lots in Square 1789, adjacent to Glover Archbold Parkway, N.W., granting an easement to establish a new street pursuant to section 3.

(2) The filing, in the Recorder of Deeds Division of the District of Columbia Department of Finance and Revenue, of a covenant between the District and the owners of all lots abutting Glover Archbold Parkway, N.W., between Upton Street, N.W., and Van Ness Street, N.W., ("abutting owners") granting an easement, the full width and length of the area to be closed, to the District for the ownership, operation, maintenance, and replacement, if necessary, of its utilities. The easement shall provide that no permit shall be required for this work. The District may require a hold harmless provision in the covenant, provided that any such provision shall be limited to damages or injuries arising solely from an abutting owner's actions in the easement area, and provided further that the United States of America shall be exempt from any hold harmless requirement. The covenant shall also provide an easement to the benefit of the Potomac Electric Power Company to maintain and service existing electric utility facilities in the easement area and to

install any additional underground conduits deemed necessary to supply electricity to its customers.

Sec. 3. Notwithstanding any other provision of law, including section 2 of An act to provide a permanent system of highways in that part of the District of Columbia lying outside of cities, approved March 2, 1893 (27 Stat. 532; D.C. Code §7-108), the Council hereby authorizes and directs that the District accept and maintain a new public street, to be known as 40th Place, N.W., as shown on the Surveyor's plat filed under S.O. 90-117 and in section 4, subject to all of the following conditions:

(1) The street shall exist pursuant to an easement granted by the owners of all lots within Square 1789 abutting Glover Archbold Parkway, N.W. The easement shall expire no earlier than July 31, 2064.

(2) The street shall be built according to the standards of the District of Columbia Department of Public Works except that the width, including curbs and sidewalk, shall be as shown on the Surveyor's plat.

(3) A 15-foot wide easement shall be established within the area known as Glover Archbold Parkway, N.W., for the installation and maintenance of District-owned streetlights serving 40th Place, N.W. This easement shall allow the District and its contractors to enter the easement area at all times without a permit, and shall remain effective for as long as 40th Place, N.W., is open as a public street. Within this easement area only shrubs, ornamental-size trees, and groundcover may be planted. The cost to relocate existing streetlights and poles in connection with the establishment of 40th Place, N.W., shall be that of the owners of all lots within Square 1789 abutting Glover Archbold Parkway, N.W. If 40th Place, N.W., is closed to the public on or after the expiration of the easement provided in paragraph (1) of this section, the owners of all lots within Square 1789 abutting Glover Archbold Parkway, N.W., shall pay the total cost for the removal of the District-owned streetlights.

(4) The owners of all lots within Square 1789 abutting Glover Archbold Parkway, N.W., shall, at their cost, remove the pavement within the Glover Archbold Parkway, N.W., being closed by this act and restore the area to approximately the grade existing in 1986.

Sec. 4. The closing of Glover Archbold Parkway, N.W., between Upton Street, N.W., and Van Ness Street, N.W., and the establishment of a street easement to be known as 40th Place, N.W., shall be as follows:

Pursuant to D.C. Law _____, effective _____, 19____, the street shown thus: is closed, and title reverts as shown upon recordation of this plat. The easements shown for street, watermain, sewer, and street light purposes are subject to the provisions of the covenant recorded with the Recorder of Deeds as Instrument No. _____, recorded _____, 19____.

Notwithstanding any other provision of law, including title II of the Street and Alley Closing and Acquisition Procedures Act of 1982, the Council orders the street closed subject to the following conditions:

Note,
Section
7-421

(1) The filing, in the Recorder of Deeds Division of the District of Columbia Department of Finance and Revenue, of a covenant between the District and the owners of the lots in Square 1789, adjacent to Glover Archbold Parkway, N.W., granting an easement to establish a new street pursuant to section 3.
