STERLING TUCKER

Chairman of the Council

(Ref. 23, DCReg. 4198, January 7, 1977)

IN THE COUNCIL OF THE DISTRICT OF COLUMBIA MARCH 29, 1977

To permit commercial advertising on the rear exterior of Metrobuses under certain circumstances.

BE IT ENACTED BY THE COUNCIL OF THE DISTRICT OF COLUMBIA,
That this act may be cited as the "Metrobus Commercial
Advertising Act".

Sec. 2. Section 1405.8 (Signs on Public Space) of Title 5A-1 of the District of Columbia Rules and Regulations (1972 Building Code of September 23, 1972) is amended by adding at the end thereof the following:

"Sec. 1405.81 Commercial Advertisement on the Rear of
Washington Metropolitan Area Transit Authority (WMATA)

Metrobus Public Transit Vehicles. Notwithstanding the
provisions of Section 1405.8 of this Title or of any other
law, the sale and use of commerical revenue advertising
space on the rear exterior of Metro public transit vehicles
under the control and operation of the WMATA shall be
permitted for such vehicles operating on public space within
the District of Columbia; Provided, That:

"(a) Any advertisement, solicitation, claim or statement regarding the promotion or sale of any produce, business, activity or service secured by WMATA or its agent, independent contractor or franchisee shall be of the highest graphic quality and content.

"(b) No person shall in any advertising display, sign, illboard or poster panel for the promotion or sale of any product, business, activity or service, use any word, term or phrase which is deceptive, misleading, or which is a direct or indirect claim not subject to reasonable substantiation, or which is bait advertising; nor shall he use in any such advertisement, any qualifications or condition such as "upon approved credit" or any similar statement to justify an advertisement offering extremely low down payments or terms which can be granted only to a relatively few of the persons responding to, or expected to respond to, the advertisement. As used in this paragraph the term "bait advertising" means an alluring, but insincere offer to sell goods and services which the advertiser in . truth does not intend or want to sell or offer, the purpose thereof being to switch purchasers from buying the advertised merchandise or service in order to sell something else, usually at a higher price or on a basis more advantageous to the advertiser. The primary aim of bait advertising is to obtain leads as to persons interested in buying merchandise or services of the type so advertised.

- "(c) The rear exterior advertising space on at least 10 percent of the total number of Metrobus vehicles available for public transit operations shall be reserved for free public service announcements and advertisements regarding community, art, cultural, educational, and similar events.
- "(d) No person shall be permitted to use the rear exterior of Metrobus public transit vehicles for direct or indirect political advertisement, endorsement, or editorial comment on behalf of any candidate for, or office-holder of any partisan or non-partisan governmental office, board, commission, or council.
- "(e) No Metrobus public transit vehicle shall carry more than the single rear exterior advertisement area which shall not exceed display dimensions substantially greater nor less than 17 inches by 60 inches."
- Sec. 3. This act shall take effect at the end of the period provided for Congressional review of acts of the Council of the District of Columbia under subsection (c) of section 602 of the District of Columbia Self-Government and Governmental Reorganization Act.
